

Press Release:

Berthoud Habitat for Humanity fundraisers were a HUGE success.

The annual 5K run was one of the largest runs ever. We had 268 runners for the 5K and 58 runners for the 1K. The weather was fabulous, the course was smooth, the music was enjoyed by all and our MC's (Mayor, Tom Patterson & Senator Kevin Lundburg) who did a remarkable job. In the park for Berthoud day, Culvers Ice Cream custard donated \$1.00 to Berthoud Habitat for every sale they made; Collins Cashway Lumber, Rick Taylor and Michael Cook, with the *Help Build the Next Berthoud Habitat Home "Stick by Stick"* event, where people purchase and decorate studs for the next home build, with the proceeds going to Berthoud Habitat; and Daryl Watson and his fabulous barbeque booth donated all sale proceeds to Berthoud Habitat. We believe these fundraisers, combined, raised close to \$8,000.

We would like to give a very special thank you to High Country Proco for donating the Berthoud Habitat banners for the parade, which included our Berthoud Habitat logo banner and our "stick by stick" banners. We would also like to thank them for donating the Coldwell Bankers sign that is at our home site. We appreciate your generosity, God Bless!

We would like to thank Patty Gutierrez for all her help this year as well as in past years. We couldn't have done it without you, we will miss you next year. Thanks to Marta Loachamin and Ana Ortiz for stuffing the American Family Insurance goody bags with the wonderful donated items, Linda Armour and T.R Specialties for the race metals, Dr. Ross Armour and Berthoud Family Physicians for the awesome water bottles and of course Bruce Fickel for the savings bonds for the winners.

We would like to thank our runners who ran the race and the many Volunteers who helped in guiding the runners in the right direction, those who helped with registration, pre registration and those businesses that showed up to educate our participants. We would also like to thank all our sponsors that made the 5K race possible. (Please patronize these businesses).
